Sir:

LETTER TO THE OFFICE DRAFTSPERSON

In the Notice of Allowability mailed November 2, 1994, the proposed drawing corrections submitted on December 4, 1992 were approved. It was further noted that the drawings submitted on March 30, 1994 "are formal but don't include all of the 04 Dec '92 changes". Applicants comparison of the proposed changes with the formal drawings submitted confirmed that the proposed change to block 33 in Fig. 1 from "DATA UTILIZATION" to "DATA UTILIZATION CIRCUIT" was not included in the submitted formal drawings. Accordingly, a corrected version of Fig. 1 is submitted herewith.
